QUESTION

How can I report an antitrust violation?

ANSWER

If you have a question or comment about an antitrust issue, submit it to the Bureau of Competition by one of the methods below. Please consult the [FTC's Guide to the Antitrust Laws](#), which may answer general questions about the antitrust laws and contains Frequently Asked Questions on a number of topics, or [Inside BC](#) to learn more about the work of the Bureau of Competition.

If you have a question or comment about competition in technology markets, or a complaint, submit it to the [Technology Enforcement Division](#).

To fully describe your concern, please provide answers to the following questions:

What companies or organizations are engaging in conduct you believe violates the antitrust laws?

Why do you believe this conduct may have harmed competition in violation of the antitrust laws?

What is your role in the situation? For instance, are you a user, customer, competitor or supplier?

To help us serve you better, please include an email address and a day-time telephone number in your communication.

PLEASE NOTE: To file a report about fraud, scams, and bad business practices, visit [ReportFraud.ftc.gov](#).
